

Unlock Unlimited Entertainment!

microSDXC UHS-I U3 V30 A1 Gaming Card

Greater Compatibility, Greater Fun

The microSDXC UHS-I U3 V30 A1 dedicated gaming card is 100% compatible with handheld game consoles. It can easily expand available storage space, unlocking unlimited entertainment!

Never Freeze Up Again

Apacer's gaming card is specially designed for hardcore gamers. The reading speed can reach up to 100MB per second, and the writing speed can reach up to 80MB per second. No more stuck screens – battle as long as you like!

Optimized for a Mobile Lifestyle

Specifically optimized for mobile devices, it shortens startup times and provides better random read/write performance. Now you can switch between apps and games in just a moment.

Multiple Capacity Options

There are four large-capacity options: 64GB, 128GB, 256GB and 512GB. Flexibility lets players decide how space they need, and you can always expand with a second card if necessary.

Multiple Protections

Apacer V30 A1 gaming card passes waterproof, shockproof, magnet proof, X-ray proof, and temperature proof tests and functions even in the harshest environments. Equipped with write-protect and error-correcting code (ECC) features, V30 A1 provides the most robust protection for your valuable game data.
